

**PSSI** is an independent Industrial Supplies and Services company that works with you to solve your problems in the way that you want.

Some customers want to use our **FLUID POWER** expertise to build or repair hydraulic / pneumatic systems.

Others want us to supply bulk commodities as cheap as chips.

We're happy to do either.

Some customers even use us like a buying department to source and supply goods for them.

Any company can sell cheap stuff inexpensively... But **OUR** standard offering is quality goods at keen prices, with helpful advice on the side.

We sell to manufacturers, quarries, plant hire & operators, forestry, agriculture, haulage... anyone who needs a reliable industrial supplier.

# INTELLIGENT INDUSTRIAL SUPPLY

We'll solve your problems...

## Hydraulics

The team at PSSI started off in 2003 operating a hydraulic hose replacement franchise, but we saw the light in 2013 and went independent so that we could offer customers a wider range of products at better prices.

- Quality Intertraco hose and fittings
- Bridgestone Hose for extreme applications
- Mobile hose replacement
- Hydraulic system refurbishment
- Power packs, cylinders, valves, motors
- Hydraulic oils & filters
- 700 bar hydraulics for heavy duty lifting / pressing / pulling / cutting.

## Pneumatics

Complementing our hydraulic product range we offer solutions to all your air supply problems.

- Full range of piston and screw compressors from 1kW to 90kW
- Driers, receivers, and integrated packages
- Pneumatic valves, cylinders, actuators and control systems

- Air ring mains and installation
- Air motors, tools, blow guns
- Quick release couplings.

## Lubricants / Filters

We stock a huge range of EXOL oils and greases

- Engine / Hydraulic / Universal Tractor / Gearbox / Milking Machine... the list goes on!
- Baldwin filters for fuel, hydraulics, engine oil, air
- Service kits... you let us know the machine / vehicle you want to service, we'll supply the oil and filters to get you started.
