**PENRITH SUPPLIES & SERVICES FOR INDUSTRY**

## *What do we do ?*

- Abrasives, Antifreeze
- Bearings, Belts, Bolts, Brake fluid
- Compressors, Cutting discs
- Composite hoses
- Drive chains, Drills
- Exol lubricants, Engine oil
- Fasteners, Fixings
- Grease, Grinding discs
- Hydraulic hoses, cylinders, valves,
- Hydraulic power packs
- Hand tools, Hoses for everything
- Impact sockets
- Jasic welders
- Kranzle pressure washers
- LED torches, lights, beacons
- Low pressure water, air & fuel hoses and fittings
- MIG wire & consumables
- Oil (about 60 variants)
- Pneumatic cylinders, valves, fittings
- Pressure wash machines, hoses
- Pressure wash lances, nozzles
- Quick release couplings
- Radiator hose, Refuelling eqpt
- Spill products, Steam hose
- Tig machines & rods, Thunder bolts
- Universal tractor oil
- V belts
- Welders, Welding supplies & gas
- Workwear & PPE
- Xylophones (just testing)!
- Yellow rubber compressor hoses
- Zip ties, Zinc plated fixings

# Hydraulics

- Hoses made in minutes
- Quality Italian hose and fittings
- Hydraulic power packs
- Hydraulic motors, cylinders, pumps
- Quick release couplings
- Trade Counter or Mobile Service
- OEM hose kits
- Bulk wholesale supply
- For agriculture, forestry, transport, industry
- Replacement parts sourced
- Power pack specification, supply and servicing

Hydraulic  
Connexion

# Compressed Air Systems

Come to PSSI for

Avelair Compressors

- The correct compressor and air treatment for your application
- Driers, receivers, and integrated packages
- Pneumatic valves, cylinders, and control systems
- Compressor servicing
- Air ring mains and installation
- Air motors, tools, blow guns
- Avelair lubricated screw compressors are British built and suitable for the most demanding applications.
- 2.2kW to 90kW
- Floor or receiver mounted
- Treatment for oil-free air & dew point of  $-40^{\circ}\text{C}$
- Ideal for the food, electronics, nuclear, and dairy industries.

 **MADE IN  
BRITAIN**

# Lubrication

PSSI stock over 60 lubrication products. Use with our FILTERs to service your equipment.

- Commercial vehicle engine oil
- Agricultural engine, super universal and transmission oil
- Construction equipment engine and transmission oil
- Industrial grease and gear oils
- Antifreeze / traffic film remover

## Washdown

We can solve most cleaning requirements straight from stock:

- Quality Kranzle hot and cold pressure washers
- Honda powered washers
- Tractor PTO washers
- Volume wash systems
- Jetwash hoses 10m to 30m
- Triggers, lances, nozzles, sewer jetting, hoses, reels, snowfoam
- Traffic film remover & degreaser in 20 or 25 litre drums

# Welding

PSSI are agents for renowned JASIC welders. Sold lots, and all to delighted customers. The Jasic range includes MIG, TIG, stick (MMA), universal welders, and plasma cutters.

## Consumables:

- Welding rods and MIG wire
- Rent-free welding gas for hobby use
- Energas gas for industrial use
- Automatic welding helmets
- Pressure regulators
- Oxy Acetylene hoses, torches
- Grinding & cutting discs
- Anti-splatter spray
- Tips, shrouds, liners

## Services

- Hydraulics (Everything!)
- Compressors & pneumatics
- Washdown equipment
- Oils & lubricants
- Industrial hoses & ducting
- Welders & consumables
- Fixings
- PPE
- Bearings & belts
